

## Membership Application for the New England Charter Boat Association. An Organization of United States Coast Guard Licensed Captains Mission Statement

To disseminate and exchange information among operators of small passenger vessels for hire. To provide education and address issues pertinent to the small boat charter industry. To gain social benefits by attending regularly scheduled meetings and activities. To help inspire the next generation of stewards with a love of the earth and sea.

**Full membership** requires that you hold a current United States Coast Guard Captain's License to operate a vessel for hire. A photocopy of your license with your completed application and a fee of \$50.00

**Associate membership** is open to all industry related persons interested in the promotion of the Association. Associate members do not receive voting privileges. A completed application with a fee of \$25.00 is required.
